More than 1,500 children participated in our school programs, up from 1,000 last year. In addition, the BRHS received some fabulous furniture and artifacts from the Boca Raton Resort & Club which will enhance our collection and our on-going exhibit in Town Hall."

President Tom Dieters noted that key fundraising efforts of the Historical Society have

been focused on planned giving and the implementation of a website page that serves as an educational tool for estate planning, ways to give and what to give, plus a gift calculator for determining the various possibilities.
