Join us for our first Town Hall Talks for the 2021-2022 season! On December 2, our presenter will be author and journalist Eliot Kleinberg, native Floridian and Boca Raton resident. He has spent nearly four decades as a reporter, including more than 30 years at *The Palm Beach Post* in West Palm Beach. Eliot is known for his local history columns "Post Time," which ran for two decades, and "Florida Time," which appeared in newspapers state-wide. He is the author of ten books on local history; his most recent book, *Peace River*, is a historical novel which takes place at the end of the Civil War. Eliot will present some of the wonderful but wacky true tales from his books *Weird Florida* and *Weird Florida II*. **Town Hall Talks 2021-2022 are generously sponsored by Alina Schwartz**
